Special Guests The Webb Sisters

The Webb Sisters (Charley and Hattie) will have just returned from a huge USA tour with Leonard Cohen. The girls will have performed to some 3 million people in over 250 concerts across the world by the time they come to the event on 10 December.

In November they will have performed across America, including Madison Square Garden, New York City and Caesars Palace, Las Vegas.

The Webb Sisters are singing with STING on his new album, which is released in November 09 – also just a few weeks before the KASBAH event, this is a fantastic opportunity to see the girls perform live!

Tours of Hattie Webb House (HWH) at
1 Weatherly Close, Rochester ME1 1AD
KASBAH's Supported Living Project,
are available from 11.00am–7.00pm
Charley & Hattie will be at HWH 6pm-7pm

All proceeds to be split between KASBAH (Kent Association for Spina Bifida and Hydrocephalus) and Hattie Webb House including Hattie's "For Thought" Fund
